

Networking Services

Maintaining The Highest Level Of Connectivity

HAWAII
CONVENTION CENTER
Where Business and Aloha Meet

Smart City Networks has served as the Hawaii Convention Center's official technology provider since 2016. We offer a variety of services, including data and internet services through the ownership and operation of a large-scale data network, and WiFi Services throughout the facility.

WIRELESS NETWORK SERVICES:

- Individual plans available for purchase with our onsite, self-service portal
- Custom dedicated WiFi network that can service from 5 to 5,000 users or more

WIRED NETWORK SERVICES:

Customizable wired network services provide the reliability of physical connection for devices dedicated to mission critical operations.

- Dedicated bandwidth packages for wired internet services
- Speaker networking solutions
- Layer 2 networks for direct computer-to-computer connectivity

COMPLIMENTARY WIFI:

Free WiFi for light use is available in all common areas and lobbies throughout the facility.
